

Find Your Ring Size

Choose from our two measuring techniques to find the right fit for your Insight Ring.
For accuracy, print this PDF at 100% scale (no scaling). Verify by placing a credit card in the area below.

THE PAPER TEST

1. Cut out the paper ring sizer along the dotted line below.
2. Fold along the "fold" line and cut a slit at the "cut slit" mark.
3. Slip the pointed end through the slit, creating a circle.
4. Wrap the paper around your finger where you will wear the ring.
5. Pull the paper until snug but comfortable. Read the size from the paper.

THE RING TEST

1. Find a ring that you or your loved one currently wears.
2. Place the ring on top of each circle below until you find a perfect match.
3. The inside of the ring should just barely touch all sides of the circle.
